Subject: Community Relations, Lowerline

Can I get you to do your request thing to get a community relations person for the Lowerline Site in NOLA, the radium thing?

I spoke with Jason about it already, no assignment of work, but just discussion. He would like to do it and I'm very open to that.

I don't have an attorney on that either. I know I can tap Ed if need be.

I can't imagine that we could do any enforcement or cost recovery with the information we have but if you want to request an enforcement officer too.
